Important notes

Weather

Late September in Thessaloniki is generally mild. Daytime temperatures are commonly around **24 - 26 °C**, with cooler evenings around **14 - 16 °C**. Please bring a light jacket or sweater for evening activities.

Dress Code

Business Casual for seminar sessions.

For evening activities and the cruise, smart casual clothing and comfortable walking shoes are recommended.

Hotel Stay

Accommodation at The MET Hotel 5*

Your stay, including accommodation and breakfast, has been arranged and covered by Kemin.

Transportation

Airport Transfers

Details will be shared separately. Please keep your flight information available for coordination.

Currency

National Currency: Euro (€).

Credit and debit cards are widely accepted in Thessaloniki.

Electricity

Greece uses **230 V electricity at 50 Hz**. Type C and F plugs are commonly used.

Visa Information

Participants who require a visa to enter Greece should follow the applicable Schengen visa requirements and apply as early as possible.

Health

Please bring any personal medication you may require during your stay.

Time Zone

Greece operates on Eastern European Summer Time, GMT+3, during September.
